

ASHUTOSH KUMAR CHOUDHARY

ashutoshpurnea4@gmail.com | +91-9123180903 | KOLKATA WEST BENGAL

Education

- Maulana Abul Kalam Azad University of Technology, West Bengal, India** 2022 - 2024
- Masters of Computer Application (MCA)
- Bengal College Of Engineering and Technology, West Bengal, India** 2019 – 2022
- Bachelors of Computer Application (BCA) | *Aggregate: 9.64*

Skills

Languages : C | C++ | Java | Data Structures and Algorithm | Problem Solving

Web Development and Database : HTML | CSS | JavaScript | Bootstrap | PHP | MySQL

Core Subjects : Operating System | Computer Networks | DBMS | Object Oriented Programming OOPs

Developers Tools and Technologies : VS Code | Eclipse | Git | GitHub

Projects

Online Polling System | [CODE](#) | [LIVE](#) Feb'22

- Full stack web application using HTML, CSS, JavaScript, JSP, and MySQL, creating an efficient and user-friendly online polling system.
- Implemented three distinct modules for user/voter, admin, and candidate, providing seamless functionality.
- Empowered the admin with complete website control, enabling them to manage users, candidates, and overall polling processes and designed an intuitive user interface, ensuring a smooth voting experience for users.

Real Time Hospital Web Application – MAX24 x7 | [CODE](#) | [LIVE](#) Aug'23

- Developed and implemented a responsive full-stack web application using HTML, CSS, JavaScript, JSP, and MySQL, catering to the needs of a real-time hospital "MAX 24X7."
- Designed an intuitive user module, enabling patients to easily interact with the hospital, book appointments, access medical records, and receive real-time updates on their health status.
- Employed responsive web design techniques, ensuring a seamless user experience across various devices and platforms

Work Experience

GAO Tek Pvt Ltd | Software Developer Dec'21 - Mar'22

- Developed and maintained innovative software solutions.
- Analyzed user requirements and implemented clean, efficient code.
- Strengthened problem-solving skills and contributed to agile development practices

Certification

- Software Development Fundamental** Microsoft Technologies Associate (MTA)
- Introduction to Programming using Java** Microsoft Technologies Associate (MTA)
